THE HARTWELL CORPORATION was founded by Ralph M. Hartwell in 1963 as an independent insurance and real estate agency. The company has grown steadily through a combination of internal production and external acquisition.

Successful acquisitions of major insurance agencies in [Caldwell](#) and [Idaho Falls](#), Idaho, have made The Hartwell Corporation one of the largest Idaho-domiciled, privately owned independent insurance agencies in the state. Offices in Idaho Falls and Caldwell are staffed with insurance professionals with a myriad of [professional designations](#) and deep insurance industry experience.

The Hartwell Corporation markets multi-line insurance products, including [commercial insurance](#), [surety bonding](#), [personal insurance](#), and [financial services](#).

Areas of specialization include risk management programs for construction firms, design professionals, and the transportation industry.

For more than 40 years, The Hartwell Corporation has been dedicated to developing effective insurance, bond, and risk management programs for its clients' business, professional and personal needs. Our continued growth and success will be a product of our emphasis on sound insurance fundamentals and service to our customers.

Our mission is to provide superior insurance products and risk management services. We strive to ensure security and peace of mind for our clients.
