

Serving as a Trusted Advisor to Our Clients in the West

[Download page in PDF format](#)

The Hartwell Corporation is a collection of exceptional people dedicated to helping you define and minimize your risk, so you can concentrate on growing your business. For more than 40 years, many of the West's leading firms have looked to The Hartwell Corporation as a Trusted Advisor[™] in risk reduction and risk management services, employee benefit strategies, and long-range asset protection.

Ralph M. Hartwell,
 Chairman/
 CEO

DeRay Perry,
 Chief Information Officer/
 Executive
 Vice-President

Raymond L. Wolfe,
 Chief Operations Officer/
 Executive V.P.

We strive to understand your business, to ensure you aren't exposed to undue business risks because of inadequate insurance coverage.

With particular expertise and access to a variety of risk management programs for construction firms, design professionals, and the transportation industry, The Hartwell Corporation's experienced risk reduction advisors make special attention to your security and peace of mind their first priority.

*Exceptional People, Superior Results.
 That's "The Hartwell Difference."*
