

## Architects / Engineers Application

NEW APPLICANT  RENEWAL CLIENT

### PREFACE

This application is for professional liability insurance that is provided on a claims made basis. The policy applies to claims arising out of your professional services performed on or after any retroactive date shown in the policy, and is subject to all policy terms, conditions, declarations and endorsements.

The policy contains a provision permitting claim expenses, including legal defense costs, to be applied against the deductible. Subject to restrictions in certain states, the payment of claim expenses reduces the Limits of Insurance available to pay claims and the Company has the right to designate legal counsel and uses panel counsel, as needed, for claims covered by any insurance provided.

**CLAIMS REPRESENTATION / SIGNATURE**

I specifically asked all principals and project managers in our firm if they have knowledge of any claim or potential claim against us that is not listed in our response to question 26. There are none.

If we become aware of any claim or potential claim against us, before the inception of coverage, we will immediately inform the Company, Agent or Broker. We understand that any claim or potential claim against us, before the inception of coverage, whether identified to the Company or not, will not be covered by this insurance unless specifically accepted by the Company.

On behalf of our firm, I agree that this application, including all attachments and exhibits, is complete and correct to the best of my knowledge and belief. I understand that this application forms the basis of the contract of insurance, if the Company offers coverage and we accept the Company's offer. I also understand that completion of this application does not bind the Company, Agent or Broker to provide insurance.
